

4th European Conference on e-Public Procurement - 10th October 2016, Berlin

Deadline for submission abstracts is 15 June

New Article on "It's time to think bigger about Public e-Procurement!" by Miguel Sobral

Global Business Development Leader | Cloud SaaS Strategist | 15 years' experience in G2B2B eSourcing solutions

e-Procurement eMagazine - 3rd Article by Miguel Sobral, from Portugal

"(...) Governments and policymakers in general should have a framework for the implementation of Public eProcurement that goes beyond the procurement procedure itself to promote the development of services that improve the efficiency of the companies, their visibility over the market's growth drivers, their benchmarking against competition and

the stimulation of new commercial relationships (...)"
